

Logic Teacher Job Position

Description

Valor Christian High School is seeking a highly motivated and dedicated individual to join our team as a Logic teacher. You will be responsible for providing high-quality reasoning strategies to students, fostering critical thinking skills, empowering good decision-making processes, equipping solid analysis and solving of real-world problems, and promoting a deep understanding of the Christian worldview.

In this role, you will have the opportunity to engage students in thought-provoking discussions and guide them towards developing strong reasoning and analytical skills. You will be responsible for creating lesson plans, delivering lectures, facilitating class discussions, and assessing student progress. The ideal candidate will be a born-again believer, have a passion for teaching, a deep understanding of logic and critical thinking, and a strong desire to build strong relationships with students for God's glory.

Responsibilities

- Foster critical thinking skills by creating challenging assignments and exercises
- Develop and implement detailed lesson plans that engage students and promote a deep understanding of logic principles
- Facilitate class discussions to encourage students to think critically about complex concepts
- Provide timely and constructive feedback to students to support their academic growth
- Create a nurturing and respectful classroom environment that promotes Christian values
- Maintain accurate records of student attendance, grades, and assessments
- Engage in weekly communication with parents

Requirements

- Bachelor's degree in Education or a related field
- Teaching certification or licensure
- Experience teaching logic or related subjects preferred
- Deep knowledge and understanding of logical reasoning and critical thinking
- Excellent communication and interpersonal skills
- Strong organizational and time management skills
- Ability to integrate Christian values into teaching curriculum
- Commitment to ongoing professional development and growth

Time

This position is part-time and begins fall of 2024.

Salary

To be determined, based on experience and qualifications.
