

Matter and Energy Teacher Job Position

Description

Valor Christian High School is currently seeking a highly qualified Matter and Energy teacher to join our passionate and dedicated team. You will play a vital role in nurturing the spiritual, intellectual, and personal growth of our students. In this position, you will have the opportunity to teach and inspire students in exploring the fundamental concepts of matter, energy, and their interactions, while integrating Christian principles throughout the curriculum.

The ideal candidate will be a born-again believer with a passionate desire to build relationships with students and to be a role model for them for God's glory

Responsibilities

- Plan and deliver engaging and dynamic lessons on matter and energy concepts, incorporating best practices in teaching methodologies and instructional technology.
- Cultivate a positive and inclusive learning environment where students feel valued, challenged, and supported in their academic and spiritual journey.
- Foster critical thinking and problem-solving skills in students by providing opportunities for hands-on experiments and scientific investigations.
- Encourage students to connect their scientific learning to their Christian faith through meaningful discussions and reflection.
- Maintain accurate records of student attendance, grades, and assessments
- Engage in weekly communication with parents

Requirements

- Bachelor's degree in Education or related field; Master's degree preferred.
- Valid teaching certification with specialization in Science.
- Demonstrated knowledge of matter and energy concepts and their application in real-world contexts.
- Strong commitment to integrating Christian principles into the curriculum.
- Excellent communication and interpersonal skills.

- Passion for teaching and a genuine love for working with students.
- Ability to differentiate instruction to meet the diverse learning needs of students.
- Commitment to ongoing professional development and growth

Time

This position is part-time and begins fall of 2024.

Salary

To be determined, based on experience and qualifications.
